## Tickets now on sale

Community Theatre began in Ockley in 1948, 75 years later local enthusiasts are still bringing live theatre to Ockley. Since we celebrated our 70th anniversary, we have been able to put on both Spring, Autumn and Pantomime productions, until the pandemic struck, since which our ability to put on productions has been reduced.

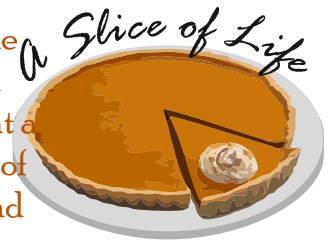

To celebrate this Anniversary, we reintroduce our Summer Production and now present this Autumn Production with an evening of light comedy and drama. Work has already started on the next Pantomime which will be staged in February

### Returned Empty

Mrs Casey has been manager of an off-licence for a long time, so she thinks she has seen it all, but an eccentric customer has an unusual request...

Small town reporter Diane Radcliffe has been given the chance of a lifetime, a sit down meeting with Lucifer in person. Lucifer has personal reasons for talking to her at a quaint café, a bet that concerns human nature. *A Slice of Life* is all about human behaviour and the good and bad that we do to each other. A one act play with an edge.

There will be three performances: Thursday, Friday and Saturday evenings 26th - 28th October. Doors open 7.30p.m, curtain up 8.00p.m. The ticket price includes a **cold buffet supper** served on arrival and dessert in the interval.

There are limited seats. Tickets are £15 a head, to include the meal. A bar will be available.

**Tickets available from the Box Office on 01306 86 85 88.** We hope to see you there.
