So much happened before Dorothy dropped in! Long before that girl from Kansas arrives in Munchkinland, two other girls meet in the Land of Oz. One--born with emerald green skin--is smart, fiery, and misunderstood. The other is beautiful, ambitious, and very popular. How these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding musical in years. Multi TONY award winner on Broadway the new smash musical from Stephen Schwartz (Godspell) was much anticipated and has certainly delivered the goods. Proving a wonderful success, the set, costumes and brilliant musical score make Wicked a must see.
