College sweetheart and homecoming queen Elle Woods (Sheridan Smith) doesn't take no for an answer. So when her boyfriend, Warner (Duncan James), dumps her for someone serious, Elle puts down the credit card, hits the books, and heads for Harvard Law School! Also starring Peter Davidson and Jill Halfpenny, based on the hit movie of the same name, Legally Blonde the Musical is the Broadway sensation created by a top-of-their-class creative team, led by Tony Award-winning director and Olivier nominated choreographer Jerry Mitchell (Hairspray).

Legally Blonde the Musical will take you from the social whirl of California Campus life to Harvard's Halls of Justice with the West End's brightest new heroine (and of course, her Chihuahua, Bruiser). The verdict? This much fun shouldn't be legal!

'That was the summer of 1963, when everybody called me baby and it didn't occur to me to mind. That was before President Kennedy got shot, before the Beatles came, when I couldn't wait to join the Peace Corps and I thought I would never find a guy as great as my dad. That was the summer we went to Kellerman's.'

Experience the excitement and romance of the blockbuster film - live on stage. Featuring the hit songs from the best-selling movie soundtrack of all time including *Time of My Life*, *Hungry Eyes*, *Hey Baby* and *Do You Love Me?* First dance. First love. You'll have 'the time of your life'!

I appreciate the cost is a little high on this one and am purely including it in case anyone really wants to see the show. There are no discounts for groups and we even have to pay the booking fee, so there is no real advantage of going with a group unless you like the idea of having the coach drop you off and pick you up near by. If you do want to go, get in touch asap as I can't hold the ten tickets I do have very long.
